### Could This Be Love

(Words and Music by John Cadley)

Could this be love after so many years  
So many hearts, so many tears  
Is this the start of something new  
Oh love, oh love, could this be you?

I have been fooled so many times before  
By sweet imposters who I thought were so much more  
But in the end I'm always blue  
Oh love, oh love, could this be you?

I know I'll never know unless I take the chance  
And I'm not askin' for any kind of proof  
It's just that I've been living with so many pretty lies  
I'm not sure if I could recognize the truth

Oh love, oh love, I have sought you everywhere  
Sometimes I wonder if you were ever really there  
But now this light so bright and true  
Oh love, oh love, could this be you?

#### CHORUS

Oh love, oh love, I have sought you everywhere  
Sometimes I wonder if you were ever really there  
But now this light so bright and true  
Oh love, oh love, could this be you?  
Oh love, oh love, could this be you?
